> **WHAT WE DO**

The Professional AV Buyers Guide is one of the most comprehensive online resources for the ProAV industry, offering all the information required to find products, services and vendors for ProAV projects

Plus, it provides the latest Professional AV industry news, new product news, new product reviews, ProAV Job Listings, ProAV Calendar of Events and a variety of other useful resources

> **GREEN FROM THE GROUND UP**

We are strictly an online-only resource, and we take pride in the fact that we are an eco-friendly publication. We minimize waste by not printing a hard copy buyers guide
